

Individual Shareholders Consultation Committee

Meeting of 5 July 2017

The Individual Shareholders Meeting Consultation Committee gathered on 5 July 2017, in the L'Oréal R&I centre in Chevilly-Larue, France.

- Presentation of the site by Caroline Blatier, Head of Communication for Research & Innovation, with a focus on the multidisciplinary approach carried out on site.
- Presentation by Dr Bruno A. Bernard, L'Oréal Fellow, R&I: scientific research has always been a pillar of the Group's strategy.
- Visit of the formulation laboratories.
- Visit of the evaluation laboratories for product performance.
- Update on topical issues at L'Oréal since the previous meeting on 20 March 2017.

The next Shareholders Consultation Committee meeting will be held on 11 September 2017, in Clichy, France.
