

If the Statutory Auditors conclude that a material uncertainty exists, they are required to draw attention in the audit report to the related disclosures in the consolidated financial statements or, if such disclosures are not provided or are inadequate, to issue a qualified opinion or a disclaimer of opinion;

- evaluate the overall presentation of the consolidated financial statements and assess whether these statements represent the underlying transactions and events in a manner that achieves fair presentation;
- obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. The Statutory Auditors are responsible for the management, supervision and performance of the audit of the consolidated financial statements and for the opinion expressed thereon.

Report to the Audit Committee

We submit a report to the Audit Committee which includes in particular a description of the scope of the audit and the audit program implemented, as well as the results of our audit. We also report any significant deficiencies in internal control that we have identified regarding the accounting and financial reporting procedures.

Our report to the Audit Committee includes the risks of material misstatement that, in our professional judgment, were the most significant for the audit of the consolidated financial statements and which constitute the key audit matters that we are required to describe in this report.

We also provide the Audit Committee with the declaration provided for in article 6 of Regulation (EU) No 537/2014, confirming our independence within the meaning of the rules applicable in France, as defined in particular in articles L.822-10 to L.822-14 of the French Commercial Code and in the French Code of Ethics for Statutory Auditors. Where appropriate, we discuss any risks to our independence and the related safeguard measures with the Audit Committee.

Agreements already approved by Annual General Meeting

Agreements approved during previous years

In accordance with article R.225-30 of the French Commercial Code, we were informed that the following agreement, already approved by the Annual General Meeting of April 27, 2010 and described in our special report of February 19, 2010, continued to be performed during the year.

Agreement concerning Jean-Paul Agon, Chairman and Chief Executive Officer

- Suspension of Jean-Paul Agon's employment contract during the term of his corporate office;
- Elimination of all rights to remuneration in respect of the corporate office:

In the event of departure, and depending on the reasons for such departure, Jean-Paul Agon will only be paid the termination indemnities (save for gross misconduct or gross negligence) or retirement indemnities due in the event of voluntary retirement or retirement at the Company's request pursuant to the employment contract that has been suspended. These indemnities, which are attached solely to termination of the employment contract and in strict application of the French collective bargaining agreement for the chemicals industry (*Convention collective nationale des industries chimiques*) and the company-level agreements applicable to all L'Oréal managers, are automatically due pursuant to the public policy rules of French labour law. They are not subject to any condition other than those provided for by the collective bargaining agreement or the above-mentioned company-level agreements. The same applies to the non-competition clause and the related financial consideration.

Under no circumstances may the remuneration in respect of the corporate office be taken into consideration for the calculation of the indemnities due pursuant to the collective bargaining agreement and the company-level agreements applicable to all L'Oréal senior managers.

Jean-Paul Agon will continue to benefit from the defined-benefit pension scheme currently applicable to the Group's senior managers, as described in chapter 2 of the management report.

Terms and conditions relating to the suspension of Jean-Paul Agon's employment contract:

- The reference remuneration to be taken into account for all rights attached to the employment contract and in particular for the calculation of the pension under the defined-benefit scheme will be based on the amount of remuneration at the date of suspension of the employment contract in 2006, namely, fixed remuneration of €1,500,000 and variable remuneration of €1,250,000. This reference remuneration is revised annually by applying the revaluation coefficient in respect of salaries and pension contributions published by the French state pension fund (*Caisse nationale d'assurance vieillesse*). As of January 1, 2020, the fixed remuneration amounted to €1,725,000 and the variable remuneration to €1,437,500.
- The seniority applied will cover his entire career, including his years as Chairman and Chief Executive Officer.
- Jean-Paul Agon will continue to be treated in the same way as a senior manager throughout the term of his corporate office, which allows him to benefit from the additional social protection schemes, including the employee benefit and healthcare schemes applicable to the Company's employees, as described in chapter 2 of the management report.
