Your questions, our answers

How are registered shares taxed?

Registering your shares has no fiscal impact. The tax regime for registered shares is the same as for bearer shares. If you hold L'Oréal shares in a share savings plan (PEA) and wish to benefit from the advantages of registered shares, then managed registered shares are for you.

If I register my shares, can I sell them as easily?

Yes, your registered shares can be disposed of at any time, just like bearer shares. You retain complete freedom to manage your shares.

How long will it take to register or transfer my shares to registered form?

The time required varies between financial institutions. As a reminder, to benefit from the loyalty bonus from 2027, your shares must be converted to managed registered or directly registered by 31 December 2024. To ensure you meet the deadline, we suggest you send your registration order by 16 December 2024 at the latest.

Will transferring my L'Oréal shares to registered form cost me anything and how can I be reimbursed?

Some financial institutions may charge you for transferring shares to directly registered form and we recommend that you ask your bank for information.

L'Oréal will reimburse you any transfer costs for directly registered shares up to a maximum of €50.

Simply send your request for reimbursement, together with proof of your transfer costs, and full bank details, to the following address:

UPTEVIA Service Relations Investisseurs 90-110 Esplanade du Général de Gaulle 92931 Paris La Défense Cedex FRANCE

How much are the brokerage costs negotiated by L'Oréal for directly registered shares?

L'Oréal has negotiated very competitive brokerage costs for you:

- ▶ Brokerage rate: 0.10% excl. VAT for all orders, no minimum.
- ▶ Payment costs: free of charge for bank transfers (France or international), an additional €30 excluding VAT for all payments by cheque.

Where can I learn more about registered shares?

You can learn more at www.loreal-finance.com, Shareholders section / Loyalty Bonus and Registered Shares. You will find all of the information you need, as well as the enrolment, transfer and purchase forms.

You can also call **0 800 66 66 66** (toll free from a landline in France); or +33 1 40 14 80 50 (outside France).

Which shareholding solution suits you best?

Advantages of directly registered shares

If you would also like to benefit from free management and custody fees, as well as preferential brokerage and bank fees, you should choose to hold directly registered shares. However this is only possible outside a share savings plan (PEA)⁽¹⁾.

Registered shares and share savings plans

If you hold your L'Oréal shares in a share savings plan (PEA®) and you would like to benefit from the advantages of holding registered shares, in particular the loyalty bonus, while keeping the tax advantages offered by the PEA, you should choose to hold managed registered shares.

How can you track your registered shares?

The introduction of the preferential dividend has made it necessary to create specific ISIN codes. These codes make it possible to determine each year whether the shares concerned will give the right to an ordinary dividend or a preferential dividend.

FR0000120321

L'Oréal shares are listed and traded under ISIN code FR0000120321.

All L'Oréal bearer shares are identified by this code. L'Oréal shares registered each year receive a loyalty bonus code, with each code corresponding to a particular year. Shares benefit from the Loyalty Bonus when they have been registered for more than two full calendar years.

FR0011149590

Shares which already benefit from the preferential dividend.

FR001400ECA7

L'Oréal shares which were registered in 2022 and which will benefit from the loyalty bonus in 2025 are identified by this code.

FR01400M8G9

L'Oréal shares which were registered in 2023 and which will benefit from the loyalty bonus in 2026 are identified by this code.

Only **FR0000120321** is a trading code. If you want to sell shares with the bonus codes FR0011149590, FR001400ECA7 and FR01400M8G9, your financial institution will deal with modifying this code in order to execute your order.

How to register or transfer your shares to registered form?

Regardless of your current situation, the registration of shares or conversion to registered shares is a two-step process.

	STEP 1	STEP 2	
You currently hold L'Oréal bearer shares and you wish to convert them to managed registered shares	Send your financial institution a request form ⁽¹⁾ to register your shares as managed registered shares ⁽²⁾ .	Your financial institution sends your registration form to UPTEVIA and continues to manage your account. NB: The custodial fees for your registered shares may increase.	
You currently hold L'Oréal bearer shares or managed registered shares and you wish to transfer them to directly registered shares	Send your financial institution a request form ⁽¹⁾ to transfer your shares to directly registered shares ⁽²⁾ . Please note: if you leave a PEA, you lose the corresponding tax benefits.	Your financial institution transfers your shares to UPTEVIA, which becomes your sole point of contact. NB: Any fees for transferring your shares to registered form are reimbursed by L'Oréal, up to a maximum of €50, upon presentation of an invoice for fees.	
You are not yet a L'Oréal shareholder and you wish to purchase directly registered shares	Send UPTEVIA an agreement for account opening and stock market services ⁽¹⁾ (COCPB in French). To be sent to: UPTEVIA - Service Relations Investisseurs 90-110 Esplanade du Général de Gaulle 92931 Paris La Défense Cedex FRANCE or request it by calling the following number + 33 1 40 14 80 50 or via the contact form at: https://www.loreal.uptevia.com/investor/#/login	UPTEVIA is your sole point of contact.
