To the Annual General Meeting of L'Oréal,

In our capacity as the Statutory Auditors of your company (the "Company") and in accordance with Articles L. 228-92 and L. 225-135 *et seq.* of the French Commercial Code (*Code de commerce*), we hereby report to you on the proposed delegation of authority to the Board of Directors to issue shares or securities granting access to the Company's share capital, with cancelation of preferential subscription rights, reserved for employees, corporate officers and eligible former employees of your Company and of French and non-French entities related to your Company within the meaning of Article L. 225-180 of the French Commercial Code and Article L. 3344-1 of the French Labor Code (*Code du travail*), who are members of a Company employee savings scheme, a matter submitted for your approval.

This transaction is submitted for your approval in accordance with the provisions of Article L. 225-129-6 of the French Commercial Code and Articles L. 3332-18 *et seq.* of the French Labor Code.

The maximum par value amount of share capital increases that may be performed immediately or in the future pursuant to this delegation is set at 1% of the share capital on the date of this Annual General Meeting, it being specified that:

- the aggregate amount of the share capital increases that may be carried out, either immediately or in the future, under this resolution and the twenty-second resolution may not exceed 1% of the share capital as at the date of this Annual General Meeting, which represents a common limit for both these resolutions, and;
- the amount of any share capital increases that may be carried out, either immediately or in the future, under this resolution, will count towards the maximum limit for share capital increases set in the eighteenth resolution presented to this Shareholders' Meeting.

On the basis of its report, the Board of Directors invites you to delegate, for a period of twenty-six months as from the date of this Annual General Meeting, the authority to decide to undertake one or more share capital increases and to cancel your preferential subscription rights to the shares or securities to be issued. The Board of Directors would be responsible for setting the final terms and conditions of any such issue.

It is the role of the Board of Directors to prepare a report in accordance with Articles R. 225-113 *et seq.* of the French Commercial Code. It is our responsibility to express an opinion on the fairness of the information taken from the financial statements, on the proposed cancelation of preferential subscription rights and on certain other information relating to the issue, presented in this report.

We performed the procedures that we deemed necessary in accordance with professional standards applicable in France to such engagements. These procedures consisted in verifying the information disclosed in the Board of Directors' report relating to the transaction and the methods used to set the issue price of the securities to be issued.

Subject to a subsequent review of the terms and conditions of each proposed issue, we have no matters to report with regard to the methods used to set the issue price of the securities to be issued as presented in the Board of Directors' report.

Since the final terms and conditions of the issue(s) have not been set, we do not express an opinion in this respect or, consequently, on the proposed cancelation of shareholders' preferential subscription rights.

In accordance with Article R. 225-116 of the French Commercial Code, we will prepare an additional report if and when the Board of Directors uses this delegation of authority to issue ordinary shares or securities granting access to other securities, or issue securities granting access to securities to be issued.
